## \$100 Service

The Royal Children's Hospital Good Friday Appeal is as big a part of Easter in Australia as hot cross buns, eggs and the Easter Bunny himself, and this year the team at Ferntree Gully Holden are getting into the spirit.

We are offering our time and experience for the great cause and opening our Service centre to raise money for the Royal Children's Hospital. By offering a once off, **\$100** service on all makes and models, we hope to raise over \$10,000, with every single cent going to helping sick kids and their families.

The service includes an oil and filter change, a 25-point safety check and full report, meaning that not only will your money go to a terrific cause, but also your car will be in great shape for the Easter holidays thanks to the experts at Ferntree Gully Holden.
